

# Tilting Bucket

- ⊙ **ENHANCES GRADING CAPABILITY OF COMPACT EXCAVATORS**
- ⊙ **HYDRAULIC TILTING UP TO 45 DEGREES IN EITHER DIRECTION**
- ⊙ **ELIMINATES THE NEED FOR SEPARATE TILTING ATTACHMENT**
- ⊙ **AVAILABLE IN VARIOUS SIZES FROM 39" TO 60" WIDTHS**

The compact excavator Tilting Bucket will enhance your machine's grading capability in ditch cleaning and sloping applications.

Features hydraulic tilting 45 degrees in either direction to increase productivity, and eliminates the need for a separate tilting attachment.

The Tilting Bucket is available in various sizes from 39" to 60" widths to fit many compact excavators.

Contact our attachment experts at 866-232-8224 for the exact fit for your compact excavator.
