EDGE 25 Series GEHL Buckets

72" Dirt Bucket with option for bolt-on cutting edge

54" Utility Bucket

Four popular Gehl 25 Series Buckets are now available through CEAttachments.

The 54", 65" and 72" Utility Buckets offer large capacity without the high back of a bulk material bucket and work great in farming and agricultural applications, while the 72" Dirt Bucket offers great cutting edge visibility and high breakout force for tough digging and material handling.
