New EDGE 4-in-1 Combination Buckets

New EDGE 4-in-1 Combination Buckets have expanded the lineup of specialty buckets available from CEAttachments.

The new EDGE 4-in-1 Combination Buckets carry all the same great multi-tasking capability as previous models, with a few new models and features:

- 60", 66", 72" Standard Duty buckets
- 66", 72", 78" and 84" Heavy Duty buckets
- 66", 72", 78" and 84" Heavy Duty buckets with Teeth
- Heavy Duty buckets feature a holding valve to keep clam in locked position
- All buckets come standard with 3/4" x 6" weld on cutting edges with holes
- Bolt on cutting edge for front dozer edge and rear of the clam edge come standard
- Come complete with hoses and flat face couplers
- Optional front bucket cutting edge available

Some larger skid steer loaders and most compact track loaders may require hose extensions for supply hoses. Standard duty models recommended for loaders with operating capacities <2400 lbs. Heavy duty models recommended for loaders with operating capacities >2400 lbs.
