New EDGE High Dump Buckets

EDGE High Dump Buckets are an all new addition to the lineup of specialty buckets available from CEAttachments.

The new EDGE High Dump Buckets pivot the bucket for dumping, increasing vertical lift and horizontal reach. Ideal for loading feed mixers and trucks used in agricultural and construction applications.

- 2 heavy duty hydraulic cylinders pivot the bucket for dumping
- Increases vertical lift by approximately 44"
- Increases horizontal reach by approximately 13"
- See-through spill guard for optimal visibility
- Recommended for loaders with operating capacities >1800 lbs.
- Comes complete with hoses and flat-faced couplers
- Optional bolt-on cutting edge
