New Hard Pad Tracks

Two tire traction bars

All new **Grouser Hard Pad Tracks** are now available from CEAttachments.

Grouser Hard Pad Style Tracks out-perform other tracks used in sandy soil, reduce ground pressure by as much as 50%, protect your tires and reduce tire wear in abrasive conditions.

Features:

- 5" Wide pads for improved floatation
- 1-1/4" hardened field-replaceable bushings
- Contractor-grade, heavy duty components
- Two built-in traction bars improve track-to-tire grip
- Easily withstands continued operation on hard surfaces
- Offers better tire protection than open-track style
