

Broom attachments are selected by the material to be removed and the surface on which the broom is used. CEA has the selection of brooms you need to complete the job right - and FAST!

Push brooms with hydraulic angle are an economical way to push away dirt, leaves, snow and other outdoor materials along as you drive, reducing the chance flying stones or debris that might damage nearby buildings or vehicles. The simple design of the Push Broom also minimizes any dust that may be produced while operating. Widths range from 60" (1524 mm) to 96" (2438 mm). Includes mount and hoses (couplers sold separately.) Replaceable brush consists of heavy gauge polypropylene.

- ⊙ **SIMPLE DESIGN CREATES MINIMAL DUST**
- ⊙ **HYDRAULIC ANGLE FROM SKID STEER CAB**
- ⊙ **FEW MOVING PARTS MEANS LOW MAINTENANCE**
