

Handling brush, awkward debris, logs and more is made easy with the right grapple. The experts at CEA can help you to select the correct grapple based on your skid steer loader and your application.

The design of the heavy duty brush root grapple makes it ideal for tearing into roots, trash and rubbish. This is a great cleanup tool that will last.

## SPECIFICATIONS

Model	Weight (lbs/kg)	Overall Width (in/mm)	Tine Spacing (in/mm)	Depth (in/mm)	Grapple Opening (in/mm)
