

Log Grapple

Handling brush, awkward debris, logs and more is made easy with the right grapple. The experts at CEA can help you to select the correct grapple based on your skid steer loader and your application.

This is an excellent attachment for handling logs, pipes, brush and other bulky materials. It features 2" x 8" cylinders, and will close to a log or pipe as small as 6". Includes hoses and flat-faced couplers. Capacity must be based on load capacity of the skid steer loader not the attachment.

- ⊙ IDEAL FOR HANDLING LOGS, PIPES AND AWKWARD MATERIALS
- ⊙ CYLINDERS CLOSE TO A LOG OR PIPE AS SMALL AS 6"
