

Snow Blower

With the Snow Blower attachment, you can remove snow from sidewalks, driveways or any area your skid loader will fit.

Widths range from 48" (1219 mm) to 96" (2438 mm), and they can throw snow up to 45' (13.71 m).

The poly-lined, hydraulically controlled chute and deflector has a 280 degree radius, so you can easily put the snow where you want it! Snow blowers are available for standard or high-flow hydraulics. Optional truck chute available for high flow G & H models.

- ⊙ **THROW SNOW UP TO 45'**
- ⊙ **TWO STAGE HYDRAULIC BLOWER**
- ⊙ **HYDRAULICALLY-CONTROLLED, POLY-LINED CHUTE AND DEFLECTOR**
